

Reeve resigns: deputy-reeve goes over disputed phone bills

Pat Conaghan

Bert Shingler

County Council will have to find a new warden

What one area resident described as 'Luttergate' has resulted in the resignations of Lutterworth Reeve and Haliburton County Warden Pat Conaghan and his Deputy Reeve A.O. Bert Shingler.

After only two weeks in office as county warden, Conaghan resigned his position on the county, as well as his township, following allegations by fellow Lutterworth councillors that Shingler may have misused his Bell Canada telephone credit card by charging what appeared to be personal phone calls.

In a late Monday afternoon meeting, Lutterworth council considered the resignations of both their reeve and deputy reeve and decided to accept them. Neither Conaghan or Shingler were present for the meeting and both had submitted their resignations through the Monday morning mail.

Council accepted the resignation of Shingler and regretfully accepted that of its reeve, Pat Conaghan.

Council chose Bill Valentine as reeve and Ron Gambel as deputy reeve to finish the terms of the vacant offices.

Council also authorized Ron Gambel and Major Lewis to seek advice from the crown attorney's office as to what course council should follow in the matter of the apparent abuse of the township's Bell Canada credit card. Council instructed the clerk to determine from Bell Canada the source and destination of all unknown calls charged to the township up to and including January 20.

Council also refused to accept Shingler's cheque which he had offered council in payment for personal phone calls made. The cheque had already been deposited by the clerk on instructions from Conaghan and he was therefore instructed by council to reissue a cheque to Shingler in the amount of the original cheque from Shingler.

As late as last Saturday, council had decided to hold a judicial inquiry under

section 240 of the Municipal Act to investigate the charges and to review, as Shingler put it, "any other dirty laundry that the municipality may have."

Following that meeting Shingler said he was happy to see an inquiry look into the matter and that he had nothing to hide. Reeve Pat Conaghan said that "You know me well enough to know that I would rather give than receive."

Over the weekend the pair, elected to office just over a year ago as part of a "cottagers' slate", tendered their resignations to both Lutterworth Township and Haliburton County Council.

In a statement through his solicitor Donald Finn, Shingler said, "I have suggested that the matter be brought out into the open and have consulted with my solicitor regarding hiring the best outside litigation counsel and see that a lot of other township accounts are brought out into the open at the same time."

Walter Webb awarded Jubilee Medal

Walter Webb of Minden has been awarded the Jubilee Medal in recognition of his community work.

Commemorative medals are struck from time to time to mark important anniversaries and other great occasions.

The most recent of these events was the Centennial of Confederation in 1967, and before that a medal was issued at the time of the Queen's Coronation in 1953. In keeping with that tradition, a medal was created in

1977 to commemorate the 25th anniversary of Her Majesty's reign.

The medal, measuring one and one-quarter inches in diameter is made from sterling silver (.925) and produced by the Royal Canadian Mint.

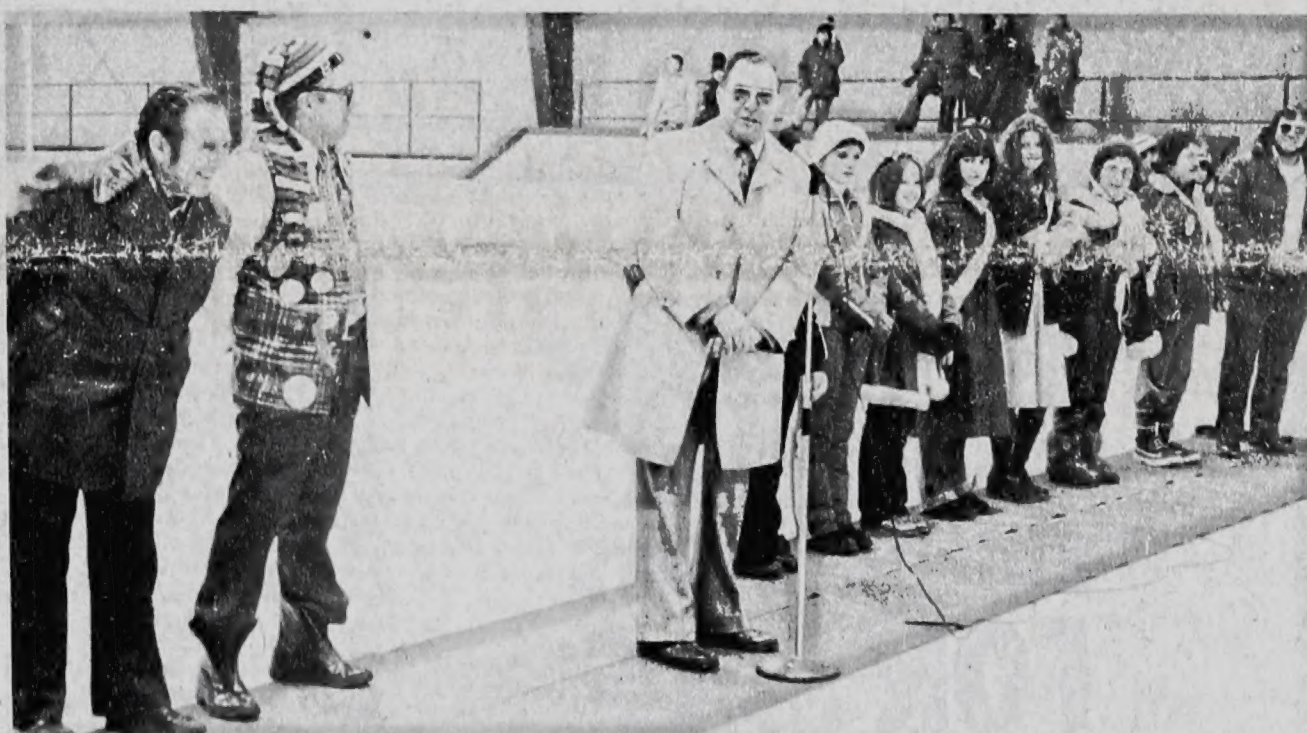

The award of the Queen's Jubilee Medal is an expression of appreciation of the worthy and devoted service rendered by the recipients in their various walks of life and

the esteem in which they are held by their associates.

In order that the list of those to be honored will be representative of all the regions of Canada, agencies of government at the federal, provincial and local levels have been invited to propose the names of candidates for the medal. National organizations in every important field of endeavor, including the professions, education and arts, veterans' groups, sports associations, philan-

thropic, charitable bodies and welfare services were also asked to participate by submitting nominations.

Nominated and recipients of the Queen's Jubilee Medal in the Victoria-Haliburton area include Dr. C.W.M. Service, Dennis Sweeting, Elmer Lewis and Frank Power of Lindsay, Dr. G.C.R. Hall of Little Britain, Byron Hyland of Omamee, Jack Callaghan of Ops, and Walter Webb of Minden.

Reeve Reg Booth participated with MPP Bill Scott and MC Bill Payne in opening Minden Kinsmen's Winter Carnival. On hand to help out were the senior

and junior Queens and princesses who reigned over the three day affair. More photos and stories on page 3.

David Trumble & Bill Scott

Canada's oldest living citizen

David Trumble, Canada's oldest living citizen, is shown with Bill Scott, Member of Parliament of Victoria-Haliburton, on a recent visit that Mr. Trumble made to Ottawa.

Mr. Trumble was born in 1867 in Haliburton, and he is the only living Canadian who voted for Canada's first Prime Minister, Sir. John A. Macdonald.

While he was at the Parliament buildings Trumble met with Opposition Leader Joe Clark and Prime Minister Pierre Trudeau. Trumble watched the proceedings of The House of Commons from Opposition Leader's gallery, and when he was introduced by the Speaker of the House, Trumble stood with bowed head while the Members gave him a round of desk-thumping applause lasting several minutes.

Trumble worked most of his life as a lumberjack and at other forest-related jobs, and only retired when he was in his seventies. He told Mr. Scott that he still cuts his own firewood, and has good eyesight and good hearing.

Despite his advanced years (he is 110), David Trumble walks without the aid of a cane, although he usually carries one, and he walked up and down the stairs in the House of Commons without help.

Trumble has been married four times, outliving all of his wives, and has had 19 children and about 40 grandchildren. His secret of long life is to eat well, sleep well, "and don't worry about things."

Whipper Watson's

Snowarama this weekend

There are very few days left before one of the biggest attractions of the winter season. This Sunday, February 5th is the day for Whipper Watson's Snowarama. This snowmobile event billed as the million dollar ride is a 100 mile Rally and on this day snowmobilers in practically every village and town in Ontario will be taking part.

Haliburton County will be no exception as snowmobilers from this area will also be playing a big part in this project to help raise money for a most worthy cause with proceeds going to the Ontario Society for crippled children.

We sincerely hope that everyone will get behind this very worthy cause. Let's not forget that the Minden and Haliburton Rotary Club's

have raised close to \$50,000 during the last three years for Snowarama.

We have been advised that pledges will be taken right up to the time that the riders will take off. We are also very encouraged to note that the local organizers of this event have been notified by several people from Peterborough and Toronto and other areas have phoned to say they will be sending large groups to this area to take part in Snowarama.

The good news up to this point is the fact that it looks like there will be a large contingent of riders taking part and that the pledge sheets are being filled up. The bad news is that the out of towners are really going to participate in large numbers and they are the people who seem to be getting the most pledges. The local snowmobile enthusiasts seem to be taking very little part in this worthwhile cause both in the field of riding in the rally and getting pledges. We hope that the local people will reconsider and get their machines in the rally and get out and bring in those pledges before Sunday.

Dr. Harry Good of Haliburton announced this week that he is going to make his pledge to the oldest rider in the rally. So you can see that there is no age limit when it comes to Snowarama.

The starting points are as follows: In Minden, at the Minden Arena and Community Centre and in Haliburton from the Haliburton Highlands Secondary School. Starting times at both places are from 7:30 a.m. to 10 a.m.

A special feature this year, courtesy of Air Canada, will see all riders eligible for a draw for two tickets to any Air Canada destination.

Snowarama is a joint effort between the Haliburton and Minden Rotary Clubs.

Four snowmobiles in area accident

Four snowmobiles were involved in a collision January 28, on County Road 8, in the Dorset area, when a snowmobile rounded a curve in the road and struck three parked snowmobiles and then proceeded to climb on top before it finally came to rest. Unable to stop his snowmobile was Robert Green, of Meaford, who struck snowmobiles belonging to Gardiner Storage of Meaford; Chuck Juniper Masonry, Meaford and Jane Laing also of Meaford. Damage was estimated at \$375. Investigating officer was Constable Connolly.

John N. Moss of Markham received minimal injuries and his 1975 snowmobile received about \$200 damage January 28, when he was travelling south on Kennis Lake striking a rock. The driver was thrown from the snowmobile and the machine flipped over several times.

The accident occurred at 5:30 p.m. and was investigated by Constable Martin.

A 1976 station wagon driven by Kathryn Koehler of RR 1 Haliburton, sustained about \$450 damage when it rounded a curve on North Kashagawigamog Lake Road and struck a tree on the left side of the road. The accident occurred

red when the vehicle was eastbound on January 25, at 7:30 p.m. Constable Chapman was the investigating officer.

A snowmobile, belonging to William Dobson and parked in the Dobson Esso parking lot in Tory Hill was damaged during the night of January 26-27 by an unknown vehicle. Damage to the vehicle was not immediately known. Investigating is Constable Wood.

County CUPE stalled

Talks regarding wage settlement between CUPE local 2162 and Haliburton County have reached a stalemate and have been referred to a conciliation board.

The County has offered a contract that would see workers get an approximate average increase of 25 cents per hour.

The union negotiating committee is holding firm to an 8 percent increase and turned down the County's latest offer at a Monday night meeting.

by Toque-Pic

Toquepic Talk

Well here I am again your old friend Toque-Pic, and you'll see plenty of me during the next couple of weeks. You'll be seeing me around town in store windows and on bill boards, and I can hardly wait to meet all of you at the annual Haliburton Rotary Winter Carnival to be held at Haliburton on Friday, Saturday and Sunday, February 17, 18 and 19th. Each week right up to Carnival time I will do my best to keep you posted on some of the main attractions you can expect to see and participate in when you are here for the weekend.

One of the main attractions of any weekend event is always the parade, everyone seems to love a parade and the Rotary Club are hoping to have an extra large parade this year with bands, floats, marching units and everything else that goes to make up a good parade. I'll be in the parade and I hope you will be too. Don't leave it to the last moment to starting thinking of what you will do in the parade, start to think about it now and it's never too early to get your entry ready for the big day. The parade once again will be held on Saturday. The theme of the parade this year will be "Canadian Heritage".

The ever popular Torchlight Parade which is always a big hit with carnival visitors and locals alike will once again be a highlight of this year's winter carnival and will be held on Friday evening at 8:00 p.m. The torchlight parade route has been changed this year and will start at the top of the mountain near the Skyline Park Lookout and those taking part with their machines and torches will zig-zag their way down the mountain ending up at the fairgrounds near the arena. It is the feeling of the Carnival committee that by using this new

route everyone in the village, no matter where they may be will have a great view of the colourful spectacle. Please get your snowmobile ready and take part in this event. Last year over 50 machines were in the torchlight parade and we are looking for even more this year. Anyone wishing to take part please contact either Joe Iles or Brian Black at Haliburton.

Following the Torchlight parade you will have the opportunity to keep warm and meet your friends at the giant bonfire which will be lit and burning at the Fairgrounds.

Another popular event which was a big hit with the children last year was the Crazy Carpet Rides held on the hill at the Victoria Street School on Saturday afternoon. If you will recall last year literally hundreds of adults and children were on hand for this afternoon of fun. Well we have good news for you it's on again this year on the Saturday afternoon of the Winter Carnival. Come and bring the entire family and refreshments will be on sale. The Haliburton Highlands Cross Country Ski Club will also be taking an active part in the Carnival and will be having a Haliburton Tour on Saturday, February 18th at 1:30 p.m.

Route: Start will be at Sam Slick Park opposite the High School. Then into Glebe Park, around the loop and back to the High School. Approximate distance 10 km. Parking, washrooms, and indoor waxing at the School. Refreshments for all tourists.

Registration: By mail, to the Haliburton Highlands Cross Country Club. Late registration (\$1.00 penalty) at Curry Motors Showroom, Saturday 9-11:30 a.m.

Cost: \$1/person, \$2/family. Club members free, but must register too.

Race Kits: Pick up at Curry Motors Showroom, Saturday 9-11:30 a.m. or at the start.

Across The Great Divide

In 1876 they crossed the Rockies. With hope and courage they clung to their dream.

Across the great divide

"Across The Great Divide", a new G-rated family motion picture, comes to the screen in another beautiful film from Pacific International Enterprises -- the same people who presented "The Adventures of the Wilderness Family".

The Los Angeles Times called it a "super movie". Parent Magazine said it was refreshing for adults, youths and children.

Filmed in the splendor of British Columbia and the Uinta Mountains of Utah, set in the year 1876, it is the heartwarming story about

two impish orphans -- tougher than shoeleather -- abandoned in the Rockies after their grandfather's death.

Bereft of family, Holly and Jason Smith (Heather Rattray and Mark Hall) continue westward to claim the only thing left to their name -- a plot of unfurrowed land in

OPP Report

57 general occurrences investigated

The Minden Detachment of the Ontario Provincial Police report the following activity for the period of January 23 to 29, 1978. The staff investigated 7 reportable and 3 non-reportable motor vehicle collisions.

There were also 57 general occurrences investigated, 2 cottages found insecure, 2 break-ins investigated, 2 persons charged with liquor violations, 12 persons were charged with snowmobile violations and 3 persons were charged with parking their vehicles in a manner that interfered with traffic and snow removal.

Corrections to last week's OPP report are that Alfred Titus, not his wife, was hospitalized in a recent accident and that the DeGeer vehicle in a Harcourt area accident last week was a log truck and not a dump truck as previously reported.

Salem, Oregon. Along the way they meet a lovable gentleman's con-man, Zachariah Coop (Robert Logan). Banding together, overcoming

incredible obstacles, they cling to their dream.

Holly, Jason and Zach run into a series of adventuresome mishaps that are often hilarious and sometimes near

Reeve resigns

From page 1

Following the resignations on Monday, Lutterworth council sits with only three members, Reeve Bill Valentine, Deputy Reeve Ron Gambel, and Councillor Major Lewis. According to the municipal act council has ninety days in which to fill the vacancy.

Both Mr. Valentine and Mr. Gambel will replace Conaghan and Shingler at county council but a new Warden will have to be elected.

Dysart Reeve and county councillor Murray Fearrey commented by saying, "My reaction is one of surprise. However, I do not pretend to interfere with the interests of another township and I assume that the elected officials will handle the matter."

"I am concerned, of course, where allegations have been made as concerns members of the county council," he said.

"I am pleased to see the appropriate action being taken by members involved," he said and added, "that the clerk of county council will likely call a special meeting to deal with the matter of electing a new warden early next week."

The Clerk reported the death occurring the previous day of a former County Councillor, Dr. Harry Bishop.

The Rev. Douglas Miller of Minden United Church delivered an inspirational address to members of Council, followed by a prayer for guidance.

Clerk W. Lahay announced that the meeting was open for nominations for the office of Warden for 1978.

RESOLUTION No. 1/78
THAT Patrick Conaghan be nominated for Warden, County of Haliburton for the year 1978.

Carried
 Reeve Patrick Conaghan accepted the nomination.

RESOLUTION NO. 2/78
THAT nominations be closed.

Carried
 Patrick Conaghan declared 1978 Warden

Clerk Winifred Lahay declared the Warden of the Provisional County of Haliburton for the year 1978, to be Reeve Patrick Conaghan, who then received the War-

den's robe and congratulations from Past Warden Robert J. Vick.

Oath of Office
 Reeve Conaghan read the Oath of Office; and the Chain of Office was placed on him by the Clerk.

Warden's Remarks
 Warden Conaghan thanked those who nominated him and all those who voted to bestow this high honour on him. He vowed to hold the line in expenditure without curtailing service, and hoped that with unity in strength and knowledge this would be a banner year for the County.

William Scott, M.P.
 Mr. William Scott, M.P. congratulated Warden Conaghan on attaining the highest office in the County which was bestowed on him by members of the County Council. Mr. Scott spoke about the direct responsibility carried by Council at the grass roots level in this aggressive County.

John Eakins, M.P.P.
 Warden Conaghan announced that Mr. John Eakins, M.P.P. was out of the County on Provincial Government business, and the Clerk read a letter of greeting from Mr. Eakins.

Guests at Inaugural Session
 Warden Conaghan welcomed officials and other guests in attendance, including County Engineer, Bill Obee, M.T.C. District Municipal Engineer Wes Ham, Hyland Crest Administrator Sidney Brown, County Solicitor Donald J. Finn, Mrs. Jean Jackson, Registrar; Bank Manager, Gerald Rome,

HALIBURTON ROTARY WINTER CARNIVAL

Minden Kinsmen Carnival in photos ...

Mr. Hylander, always a part of Minden Winter festivities, was on hand for the parade.

This year's Minden Kinsmen Winter Carnival met with better weather than the last two year's attempts and a great deal of success of big crowds and smiling faces are any indicators.

Activities got underway Friday night with the crowning of the senior and junior carnival queens and their princesses. Chosen as senior queen was Kelly Beeney, with Marie Madill and Darlene Danilko as her princesses. Junior queen was Teresa Trepanier and princesses, Erin McGuire and Laurie McKnight.

Parade awards went to Stedmans of Minden for their float entry in the commercial division and to Archie Stouffer School, first; Highland Crest, second; and the Boy Scouts with third in the non-commercial class.

First prize for the best decorated window went to Highland Plumbing with Stedmans picking up the honourable mention.

In snowshoe races Terry Crowe ran away with a first and second went to Ivan Ingram. The Gartshore team won in the pole climbing event and Bob Dudman and Dean Hewitt took top honours in log sawing.

Arts' Follies was the powerhouse in the men's tug-of-war competitions and Andy, Craig, Paul, Ted, Scott and Jeff pulled their way to first in the under 16 division.

Cameron Monk ate his way to stardom in Sunday's pie eating contest and Bob Dudman won the special Crowe's Nest Contest.

SNOWMOBILE DRAGS
Snowmobile Drags provided lots of excitement and a good contest of machine and skill. Winners in various divisions are as follows:

440 Modified

1st - Kelly Goreski - 7.0 sec.

2nd Rocky Earl - 7.2 sec.

440 F/A

1st Kelly Goreski - 7.4 sec.

2nd Danny Brown - 7.8 sec.

400 F/A

1st Danny Brown - 8.0 sec.

2nd Greg Shaw - 8.2 sec.

Kelly Beeney, Marie Madill and Darlene Danilko were chosen Queen and princesses respectively in Friday night's contest.

This Mini is in the lead as sports car racing on ice thrilled Carnival fans for the two days.

Sports car races on ice ...

Part of this year's Minden Kinsmen Winter Carnival was a highly popular event, the sports car racing on ice. Several members of the Peterborough Motor Sports Club commented on the track, the only ice track on land in Ontario, saying it was a challenging course and one of the best that they raced on in their circuit.

Winner of the feature race was Bill Lefeuve, of Limehouse, in his V.S. Second was Walter Smith of Scarborough in a Mini and third was Carl Welbourn of Peterborough in a Honda.

CLASS WINNERS
Class 1, Ray Gregg, Lefroy, in a Datsun;
Class 2, Don McKnight, Toronto in a Isuzu;
Class 3, Bill Burch, Mississauga, in a Renault;
Class 4, Bill Lefeuve, Limehouse in a Volkswagen;
Class 5, Walter Smith, Scarborough, in a Mini;
Class 6, Carl Welbourn, Peterborough in a Honda.

In fast paced studded division it was:
1st, Bill Lefeuve, Limehouse, in a V.W.;

2nd, Bill Burch, Mississauga in a Renault;
3rd, Sy Langerap, Peterborough, in a Datsun 240Z.

Local Driver:
Tom Prentice of Minden place 7th, Race 2, 8th in Race 8 and 3rd in class in consolation.

Jim Schlosser placed 9th in Race 2, 9th in Race 8, and 1st in Class consolation.
Consolation winners were:
1st, John Wright, Mini and 2nd, Judy Ferchat, Port Credit, in a Mini; 3rd Elaine Welbourn, Peterborough in a Honda.

Kelly Beeney, Carnival Queen, and instructor with the Minden Figure Skating Club gave a demonstration of her skills Friday night.

Junior Queen was Teresa Trepanier and Princesses were Erin McGuire, and Laurie McKnight.

Stedmans of Minden took the carnival prize for winning float in the commercial division. They also received an honorable mention for window display.

Protect yourself from mail order fraud.

This is what Ontario is doing to help you get a fair deal.

Today you can order almost anything by mail—seeds, books, department store merchandise, body-building exercises and even "diplomas".

Most mail order organizations are honest, but a small percentage are not—and give the entire industry a bad name. So before you deal with a mail order business, ask yourself:

- What does the offer really promise?
- Is the advertising actually informative?
- Do I know this company's reputation?
- Do I really need the article?
- Could I purchase the same article at a lower price locally?
- Can I pay c.o.d.? (cash on delivery)
- Is there a money-back guarantee?

Mail order gimmicks to guard against, along with a checklist to help you avoid problems when ordering goods, are spelled out in a new Information Bulletin from your Ontario Ministry of Consumer and Commercial Relations. The bulletin tells you where and how to check a company's reputation and outlines your rights under the Ontario Business Practices Act.

For further assistance, or a free copy of the Information Bulletin "The Mail Order Business: Protecting Your Dollars,"—write to:

Consumer Information Centre
Ministry of Consumer & Commercial Relations
555 Yonge Street
Toronto, Ontario M7A 2H6

Also available is a new Information Bulletin on Phony Charities: "Avoiding Phony Charities: How To Be A Cautious Donor".

Abuse of privileges

The events of the past few weeks concerning the alleged abuse of privileges by Lutterworth Deputy Reeve Bert Shingler and the ensuing resignations from office of himself and Reeve Pat Conaghan, have left a scar on that township and a shadow on all municipal politics in Haliburton County.

It would be a disservice to the ratepayers of the township to let the matter rest at this point assuming that with the resignations all is now well.

Council should push ahead with a full inquiry to determine if there is any guilt and where it lies. To let the matter linger without an inquiry will give rise to false rumour and innuendo.

During the events of what one person termed, "Luttergate" a number of references were made to "other dirty laundry". It's time ratepayers and councillors alike had full disclosure of all details concerning the business of the Township of Lutterworth. Only then can a fresh start be made.

Common Sense and Common Courtesy

There seems to be two things lacking here in Haliburton County and that's common sense and common courtesy. We are going to touch on a subject that is of major importance to each and everyone of us, if we expect to welcome visitors to our various communities.

In our opinion we have been doing a bad job of selling what we call Highlands' hospitality. There is an old saying that first impressions are lasting impressions, and, if we don't welcome the visitors and make them feel at home, we must then admit that we are doing a very bad public relations job.

During our years in Haliburton we have met a great many cottagers, people who stay at resorts and motels and others who have come our way for a days visit. We have really enjoyed meeting these people many for the first time while others who have been around for the summer months have become real good friends.

It would also appear to us that we are living back here in the Highlands of Haliburton suffering from a real bad case of apathy. There are some local citizens who could care less whether visitors come to our area or not. How many times have you heard people say "We can't wait until the tourist season is over, so that we can have the village back to ourselves?" This is certainly a very bad attitude as we depend on these vacationers to step up our economy. Those who make these remarks have either made their money and are not worrying about anyone else or they are sitting back living off the government.

If we are to attract more business into our communities we must all strive to go out of our way to make them feel right at home here, and that they are one of us, and let's make good and sure that we never use the term outsiders.

The tourist industry is becoming a very competitive market and if we are to get our share of the tourist dollar we are going to have to change our ways.

Our answer to this problem lays in the fact that we must go out of our way, if we are in business to provide good honest and courteous service, and if we are not in business, and just private citizens, lets make it a point to make our visitors more than welcome here by greeting them with a friendly hello, when we meet them on the street, and if they are looking for directions to any particular place make sure that you do all you can to help the visitors reach their destination. It also helps out a great deal if the clerks in the business places meet their customers with a welcome smile and thank them for shopping in their store.

We must start changing our attitudes and possibly this month is a good time to start as hundreds of visitors will be coming our way for Snowarama, hockey tournaments, curling bonspiels and of course the Haliburton Rotary Winter Carnival. Let's go all out and really show everyone this great Highlands Hospitality that we are always talking about. Remember it doesn't cost a cent to carry around a smile and say hello.

Letters to the Editor

The Editor:

May I say that for the most part, I quite enjoy reading the "Echo", although you could use a good proof reader, as your grammar and spelling leave a lot to be desired, at times.

My purpose in writing this letter is to suggest that your column "Feir Play" is a misnomer if I ever heard one. Your Mr. Creighton Feir had to stay home for a few days, and, apparently was forced to watch some soap operas, regarding which he wrote: "As far as soap operas are concerned, whether some of you women, like it or not, they are a bunch of trash" (end of quote)

He wants more sports because he, apparently, likes sports. I don't watch daytime television, but many of my friends, both women and men, do, and they are not the type who watch "trash". He talks about violence on T.V. That violence is acted - the violence in hockey is real. Has it ever occurred to Mr. "Feir Play" that there are plenty of people who cannot stand hockey, and who think there is nothing more ludicrous than to see two groups of big strong healthy men chasing a little piece of wood (or whatever) around a skating rink, and getting paid fabulous sums of money for doing so? Does he call it "Sport" when the home town fans throw bottles, pop corn boxes and other debris on the ice to show their displeasure because the home team lost? Do the home town fans ever cheer the other side when they make a clever play? Not in a million years!

Mr. "Feir Play" wants to remember that it takes all kinds to make a world, and one man's meat is another man's poison. He wants "More Sports"

does he now? What about all the homebound people not able to get out, and to whom T.V. is about their only recreation. Are they to be doomed to watch "Sports" about which they couldn't care less, as Mr. F.P. feels about soap operas. "Sport" don't make me laugh. I have probably attended more hockey games than Mr. F.P., and in most cases the word sport was a misnomer - it was more like mayhem.

My idea of sport is to watch two evenly matched contestants as in tennis or two well matched hockey teams battling it out for the love of the game.

So Mr. "Feir Play", no hard feelings, but be careful how you express yourself in future about "women watching a bunch of trash". Kind regards.

Yours sincerely,
Miss Agnes Borthwick

The Editor:

What a pleasant surprise to receive my "Echo" dated January 18th, on January 20th. The Postal Dept. had outdone itself - only 2 days instead of 8 or 9 to get from Haliburton to Toronto!

What a disappointment to find that my paper was dated incorrectly - and as usual, I was reading "news" that was already a week old in Haliburton!

Lynn Sommerville
Weston, Ontario

P.S. In spite of the weekly delay, I still look forward to and enjoy reading your paper.

Report from Queen's Park

by MPP John Eakins

Meetings of the Select Committee on Ontario Hydro have begun and will, no doubt, continue for at least a year. During this period of minority government, the recommendations of the Committee will, almost certainly, be quite far reaching.

Ontario Hydro has become a giant enterprise, employing thousands of people, making demands on capital funding unprecedented in the history of the province, and influencing the lives of every citizen in Ontario, either directly or indirectly.

Originally, it was envisaged that the Select Committee's work would, after a brief orientation period for new members unfamiliar with some of the background, proceed to study the problems of cost over-runs incurred by Lummus Corporation at the Bruce Heavy Water Plants. These over-runs were initially brought to the attention of the people of Ontario by the leader of the Official Opposition, Dr. Stuart Smith, early last Fall. At that time, investigations revealed that the costs had exceeded estimates by about \$140 million as of August. Questions need to be answered with respect to waste on the job, the attitude of the Lummus Corporation to the open ended contract, the terms of the contract, and so forth.

It was anticipated that the second phase of discussion would centre around the recommendations made by the previous Select Committee to both Hydro and the Government regarding the maximising and upgrading of Hydro's system. Obviously, we need to know what Hydro has done about those recommendations, how far it is prepared to go, whether or not institutional barriers will have to be removed in order to achieve success in implementing the recommendations. If the more than forty recommendations were fully implemented, the efficiency of Ontario's electric power generating system would be improved, and consumers would benefit by the resultant cost break.

Obviously, there will have to be some discussion of the advisability of large centralized utilities versus a more decentralized system, including the whole question of power corridors. Hopefully, the methods of selecting and siting these power corridors will also be discussed at some length.

Nuclear power in Ontario will also have to be considered in some detail, and recommendations must be taken into account. There is the question of spent fuel waste, and its possible re-processing - a possibility viewed with some caution, even trepidation, by many of the most learned nuclear experts in the world at this time.

Another matter for consideration is the contingency of a great deal of political power in the hands of a few highly trained technocrats. There are also health and safety risks attached to the processing of nuclear fuel before it is utilized in the reactors and the safety of the reactors themselves must be taken into account.

It seems highly likely that nuclear power will have to meet some of our energy needs, at least in the early part of the twenty-first century. However, it should not be permitted to become Ontario's sole energy source, and there are a number of other viable alternatives which must be developed. A great deal of very useful information has been gathered by the Royal Commission on electric power planning under the Chairmanship of Arthur Porter and this will also be considered by the Select Committee.

While these matters will certainly be discussed by the Select Committee, they have been placed in abeyance for the time being, because of the urgent need to consider the question of the long-term contracts signed by the Ontario Hydro with Denison Mines and Preston Mines for the supply of uranium fuel. Both contracts are subject to Ontario Government approval. Denison Mine approval must be given by Order-in-Council by February 28th; Preston Mines approval must be given by October 31st of this year. Premier Davis has asked the Select Committee to consider the contracts and "confirm" that they are in the public interest.

Ontario Hydro began negotiations with the two companies in 1974. The 200 million pounds of uranium fuel involved is intended to feed 5 committed reactor complexes from 1980 to 2020, and the contracts, if fulfilled, will cover the largest

Feir Play

By Creighton Feir

The 1978 Minden Kinsmen Winter Carnival is now history. In looking over the Winter Carnival programme of events we were very interested in the write up on "How it all began". The first Winter Carnival was in January 1961, and has been held annually since that time. The idea was suggested by Mrs. Wynn Lahay, Mrs. Pauline Leary, and Mrs. Jeanne Sears. On commenting about the carnival, Mrs. Lahay said, "During the summer, visitors would say that they would like to see this part of the country in the winter. But at that time there were no special events here to bring people to the area during the winter months. It seemed that all the summer visitors needed was a reason to come up during the winter months and a carnival seemed like a good method to attract them. "With this in mind, these three women spearheaded the committee and four weeks after the organizational meeting, the Minden Winter Carnival was a reality. Since that time the program has been expanded each year and the crowds attending have increased annually. While there were more than thirty events included in the program, the most popular event for locals and visitors alike is still the Carnival Queen Contest.

Plans are well underway for the Second Highlands Home and Vacation Show to be held at Haliburton. Following the success of last years show, Chairman Bob Nichol is looking for bigger and better things this year. The Curling Rink has been booked and provisions made for approximately 10 to 15 more booths. A new addition will be outside booths and demonstrations of new building and home carpentry methods and tools all weekend. A decision was also made to have the show open to the public for longer hours. This will give the expected 7,000 attending longer to look over the more than 70 booths and displays. Plans are now being made to have a TV program taped live from the Home Show that weekend. All in all Chairman Bob has a superb show planned and the weekend of June 16th, 17th and 18th, should be set aside to view this show.

The sympathy of the community goes out to Art Ward and his family following the death of his brother James Ward of Wingham, who was found dead from asphyxiation in his car near St. Thomas during the snow storm last week, that paralyzed Ontario from the southern Great Lakes as far north as Sudbury.

While attending one of the hockey games played at the annual Lake Kashagawigamog Lake Tourist Association's Atom hockey tournament held in Haliburton recently, I picked up the latest brochure put out by the owners of the Haliburton Hockey Haven Boys Camp. Once again they are presenting another star studded line up of hockey pros at their 1978 camp. The pros will include Nick Beverley of the Minnesota North Stars, John Bower of the Toronto Maple Leafs, Bob Stewart of the Cleveland Barons, Walter McKechnie, Washington Capitals, Claire Alexander, Toronto Maple Leafs, Doug Robinson, Montreal Canadiens, Larry Patey, St. Louis Blues, Bryan Watson, Washington Capitals, Larry Goodenough, Vancouver Canucks, Ron Stackhouse, Pittsburgh Penguins, Fred Barrett, Minnesota North Stars, Dennis Maruk, Cleveland Barons, Peter Marrin, Birmingham Bulls, Jim Roberts, Minnesota North Stars.

Tim Sharpless, 17 year old son of Mr. and Mrs. Gordon Sharpless of Haliburton found that honesty does have its rewards. While working at Wig-a-Mog Inn last weekend Tim found a \$100.00 bill in the parking lot. Later that day the guest reported his loss to the office. The guest was attending the Skyline Bonspiel and was delighted when Tim returned his money to him on Sunday morning.

This week I would like to reply to an article written in The Echo by our sports editor Bill Davis. This is in answer to an item in his column Slap Shot which appeared on January 18th in which he stated that public skating at the Haliburton Arena had only been cancelled on two occasions, Christmas day and New Years day and on two other Sundays it has been re-scheduled to twelve o'clock as the Travelways Juniors Huskies were playing at 2:00 p.m. that same afternoon. This noon hour public skating is at a very poor time as most people were attending Sunday School or Church. I along with many others feel that there should be time allotted for skating not only once a week, but twice a week. If the situation remains the same as it did last year there will be very little public skating. Apparently there was skating during the Christmas holidays but as it was never advertised how many people had the opportunity to take advantage of it. We must not forget that the Arena was built by public donations, and is being paid for by the tax payers. The arena should be for everyone, not just the hockey players and figure skaters.

We thought that we had heard of everything there was to hear, but apparently there is something new everyday. Recently while picking up an ad at the Haliburton Pharmacy, they informed me that something happened that was very unusual. One of the girls employed at the Pharmacy noticed that they had about thirty copies of The Echo on the newstand for sale. Two minutes later she noticed that the thirty copies had disappeared. They certainly didn't blow out on the street, someone must have taken them, but they just forgot one thing, they forgot to pay for them.

Some local citizens have brought it to our attention that we have many fine facilities in the village of Haliburton, but they can't understand why we are still without an indoor swimming pool. We checked into the matter and one of the members of the Rotary Club of Haliburton, told us that they are considering building this pool, as one of their projects in the future, but that we will have to be patient. A project such as this will be a big undertaking and one that will cost a great deal of money. This means that the community as a whole are going to have to get involved, and a great deal of money is going to have to be raised. Let's not just leave it up to the Rotary, we think that its going to take the co-operation of such service clubs as the Kinsmen Club of Haliburton, The Royal Canadian Legion and the help of the community as a whole.

"Serving the Highlands for 95 years"

The Haliburton County Echo is an independent newspaper serving Haliburton and Victoria Counties for 95 years. Established in 1882 as The Minden Echo and Haliburton Recorder and amalgamated with The Minden Recorder in 1977. The Haliburton County Echo is published by Algonquin Graphics Limited at Haliburton, Ontario, Box 360, K0M 1S0. Phone 457-1037.

Advertising is accepted on the condition that, in the event of a typographical error, the portion of the advertising space occupied by the erroneous item, together with a reasonable allowance for signature, will not be charged for, but the balance of the advertisement will be paid at the applicable rate.

In the event of a typographical error advertising goods or services at the wrong price, goods or services may not be sold. Advertising is merely an offer to sell and may be withdrawn at any time. The Publisher reserves the right to restrict all ads as to their classifications and to edit or reject any copy.

Pic of the Past

This is a photo of the people who promoted the Arts & Crafts Programs in 1913.

For many years the Haliburton Womens' Institute held their annual picnic in September each year. This photo was taken at the picnic in 1913 and it may have been at the McDonald Farm near the Flag Station known as Goulds Railway Crossing, on the road to Donald.

Beginning at the back row left -

Mrs. C. Barton - Mary Gould - Mrs. Robt. Gould - Mrs. Owen MacAvoy - Mrs. Robt. Johnston - Mrs. (Rev.) J.M. Whyte - Joe Whyte - Mrs. McDonald - Mrs. Andrew Curry Sr. - Mrs. Chas. Irish - Mrs. John Coneybeare - Mrs. John Lucas - Mrs. C. James - Row 2 left - Mrs. Geo. Cluff - Edith Currens - Mrs. Lee Lindsay - Mrs. Harry Sipe - Mrs. Bruce Kellett - Mrs. Val. Hoxie - Mrs. W.R. Curry - Mrs. Thos. Ellis - Irene Coneybeare - Lila Cluff - Mrs. Grant Yarnold - Mrs. Geo. Potts - Mrs. Fred Walsh - Mrs. R. Snider - Hazel Ellis - Awley Irish - Audrey Austin - Madeline Lucas - Mrs. Wm. Nichol - E. Sipe - Ruby Walsh - Mrs. Henry Brohm - Mrs. Chas. Bolender - Grace Tyler - Mary Hancoch - Ethel Curry - Dela Easton - Alice Easton - L. James - Viola Curry - Bernard Kellett - Ken McPhaden - Irene Brohm - Robt. Borden - Kate Ellis - Chas. Irish - Orma Cluff.

Have endeavored to give the single or married name at the time the picture was taken - about one third of those in the group are still living, and one of those is Mrs. Owen (Agnes) MacAvoy, fourth

from the left in the back row, she was born in the Reid home, now the Haliburton Highlands Pioneer Museum, in 1883. After her husband retired as manager of the William Laking Lumber Company they moved to Trenton. Several years ago at Trenton's 100 Anniversary Mrs. MacAvoy was presented with a scroll for outstanding contribution to the town of Trenton. Her father an English "Bobby" was born in England, in 1853, and after moving to Canada he married Janet Clinkseale on November 1, 1882. Her family came from Glasgow, Scotland, when she was 13 years of age and settled on a farm two miles south of Haliburton.

Hazel Ellis, in Third row, married Karl Hadley a few years after this picture was taken and they are now in their mid eighties and living at Georgian Manor, Penetang. Karl worked for Barber Bros. in the construction of the first Hydro Plant at Drag Lake Dam, east of Haliburton and was the first operator for the Dysart electric light commission - a few years later he was the first operator of the new Imperial Oil Ltd. depot. Gasoline was then delivered by a team of horses drawing a tank wagon. After moving from Haliburton, Karl was with Noranda Mines and later in electric contracting throughout Ontario. This is just two of the many stories.

Anyone who may know the name or names of any of the several young people in this picture or others not correctly named, please contact Ronald J. Curry.

Report from Parliament

By William C. Scott M.P.

About five weeks ago in this Report, I took issue with some of the policies and decisions of the Federal Export Development Corporation (EDC), an agency that, among other things, lends money to foreign purchasers of Canadian exports.

I pointed out that through the years many Canadian exporters have been assisted by EDC in making sales to countries that could not obtain the funds to pay for the Canadian products through conventional sources.

Since my remarks were printed, a public servant in the employ of EDC has circulated a letter in Victoria-Haliburton riding, in which he states that my remarks were in error, and that many of them, four to be exact, were "particularly misleading". Needless to say I was surprised, and even more so when upon reading his statement it became evident that he had not in fact rebutted my arguments.

The first of his four points concerns my statement, which he reprinted and which reads as follows: "EDC was established a few years ago to lend money to countries that wanted to buy Canadian products but were not in a position to pay for them." The writer answered by saying that "EDC is not an aid-granting agency", stating further that EDC lends money for the same purpose that I stated. Nowhere in my article, certainly not in the paragraph selected by the writer, did I suggest that EDC grants aid.

His second point concerns another paragraph in my article, which reads as follows, "EDC has gotten completely off the track ... loaned millions of dollars ... for the construction of nickel mills in countries (competing with) Canadian nickel producers."

He answers, "Canada cannot control the decision of other countries to develop their resources and to buy goods and services in the international marketplace." Nowhere in my article did I suggest that Canada should attempt anything of the sort.

I pointed out that it was short sighted of us to lend hundreds of millions of dollars to countries (and firms) to improve the competitive position of companies competing directly with Canadian exporters. I used the example of Canadian-produced nickel, and also steel and forest products. To those I might add the wood-chip as well as the hard wood industry in our riding. In my article, I pointed out that EDC was financing the construction (or expansion) of steel plants in Perth Amboy, New Jersey, while mills in Nova Scotia and Hamilton (Ont.) were working at less than capacity. The unemployment rate in Nova Scotia is about 10.7 per cent, while the rate in New Jersey is 7.7 per cent.

His third point concerns a statement in my article, "We now learn that EDC has been lending tens of millions of dollars to companies in industrialized nations such as the United States and Great Britain, and to oil-rich nations of... Saudi Arabia and Venezuela." He goes on to say that EDC publishes a newsmagazine, an annual report, etc., and he wonders how I could be behind the times.

Apparently, he objects to my use of the word "now", and that hardly warrants a reply. I stand solidly behind the statement in the paragraph, which the writer failed to rebut. Here again, I wonder why he raised the issue when in fact some of the publications he mentioned were used in part as sources for my original article. One wonders what the motivation was behind his attack.

The fourth point that the writer makes in his letter is hardly "misleading", and that should be clear to him or to anyone who reads the paragraph. The paragraph as he reprints it reads, "EDC has exceeded its mandate, and should be abolished." The paragraph states my position very clearly.

Canadian exporters are presently in a poor competitive position compared to most exporters in the world marketplace, and this should be obvious to anyone, considering that our current trade deficit stands at about eleven billion dollars.

The EDC policies that I complained about are designed to buy a few short-term jobs, but will in fact jeopardize the long-term prospects of many of our export industries. This in turn will place in jeopardy tens of thousands of jobs in many of our major industries, such as forest products, paper, nickel, steel and others.

An example of what I am concerned about is the EDC loan to Poland to improve the competitive position of its paper industry. With lower wages and other lower production costs, the Polish paper industry will be using Canadian money to improve its competitive position with the Canadian paper industry. EDC must be more selective in lending money to foreign firms, especially where the direct result is a lessening of the competitive position of Canadian exporters. If this cannot be accomplished, then certainly it should be abolished!

It is my belief that Canadian governmental agencies should be primarily concerned with protecting Canadian jobs and Canadian workers. We must utilize not only our natural resources, but also our manufacturing industry to produce as many finished products as possible in this country. This will create jobs for Canadians and at the same time improve our position in the world market. I would hope that all Canadians share this worthy goal.

Ontario Trappers Association

Fur Sale at North Bay

Following are the results of the January 12-13, 1978 Ontario Trapper's Association fur sale at North Bay.

Average	High	Amt. sold
20.05	57.00	29,607
65.17	136.00	5,605
153.22	265.00	187
88.50	180.00	28
45.71	50.00	7
74.64	144.00	2,131
12.76	40.00	7,536
230.93	365.00	409
114.28	192.00	193
98.16	172.00	966
24.85	76.00	36,505
19.45	50.00	10,065

TIMBER WOLF	53.75	122.00	191
COYOTE	40.99	100.00	1,206
MUSKRAT	5.47	8.00	73,357
WOLVERINE	156.73	215.00	23

Trappers of the Lindsay District are reminded that fur may be sealed at the Lindsay District Office from Monday to Friday (except statutory holidays) during the hours of 8:15 a.m. to 12 noon and 1:00 p.m. to 4:30 p.m.

The Federal Provincial Committee for Humane Trapping is constantly working toward developing humane methods for the taking of fur-bearers. Professional trappers, they need your experience and your ideas to assist in this important work! Think about it and contact Mr. Alex Caron, Co-ordinator, Federal-Provincial Committee for Humane Trapping.

26 Duncan Street, Toronto M5V 2B9, telephone (416) 366-7974, for further information.

UIC

Prosecution

On 18 January 1978, Edward H. McMahon, 63 years of age, Bailieboro, Ontario, entered a plea of guilty in the Peterborough Provincial Court to six offences under the Unemployment Insurance Act due to his having made false statements to the Unemployment Insurance Commission.

Judge R.B. Batten assessed a fine of \$300.00 or 30 days in jail with 90 days to pay the fine.

Mr. McMahon will also have to repay the Commission the overpayment of \$963.

From the Chamber

by Bob Stinson

It looked like a repeat of last year, when the weather almost ruined the Minden Winter Carnival, but fortunately the worst of it was over one day early. Crowds were certainly down slightly from what was anticipated due to the weather, but we understand on the whole that this year's carnival was certainly a success.

When listening to the radio report from throughout the eastern seaboard last week we couldn't help feeling that we must truly live in God's country here in the Highlands. While horrendous stories of people in various degrees of difficulties rolled in from all over Ontario and Eastern United States, here in the Highlands it was business as usual, almost. We were up last week on Hwy. 60 between Dwight and the entrance to the park and found they are actually suffering from a lack of snow in that particular area. Bob Palmer tells us that they are having difficulty grooming trails because of a shortage of snow in the bush.

Quite a number of new people have joined our business community recently and we have been somewhat remiss reporting these new developments to you. For instance, Albert Yakeley opened the new Minden Pop Shoppe last November where the old Minden laundromat was once operated. Albert has done a fantastic job of refurbishing the building and would certainly have an ideal location when road construction is completed to hook up with the by-pass. Yakeley's have lived here for almost five years, but this is their first venture into business in our area.

Gerald Cox opened NorPhoto Camera Centre on the main street of Minden also last year. In addition to handling a very complete line of photographic equipment and supplies, NorPhoto is the counties only photo finishers who are equipped to do full colour work in their own lab. Gerald is also anxious to handle photographic assignments of all kinds.

William Evans B.A., L.L.B. has also had his law practice established in the Minden Country Mall for quite some time, and we surely apologize for not welcoming this new young lawyer in our community long before now.

Gelert Gardens is now under new ownership, and under the guidance of Albert and Sandra Pucknell we are sure that establishment will be getting a new lease on life. We certainly wish them well in this new venture and hope many of you will drop in and say Hello to them.

The Northern Eagle Tent and Trailer Park is also undergoing a change of ownership. Godfrey and Marie Saunders take over April 1st, and last week dropped in to chat with us at the Chamber office. They will be moving here from Lindsay at that time, and living permanently on the property. Murray and Helen Robertson have retained a portion of the property on which they plan to build their retirement home. We wish Godfrey and Marie much success and Helen and Murray an enjoyable retirement.

We have a brand new riding stable opening up this spring under the proprietorship of Norm Hobbs. Norm, many of you may remember has been teaching riding lessons in our area for the last couple of years and has now obtained a lease on an attractive farm on the Peterson Road directly south of Welch's Store. The operation will be known as Blue Ridge Riding Stables and will not only have riding horses for rent, but will provide riding instructions and be the home base for a new riding club. Norm is also carrying a full line of riding tack and equipment which he will have available at this location early in April. We certainly wish Norm considerable success in this new venture.

Mike's Milk will soon be opening in their new store in Haliburton Village, and Larry Medley advises us that Medley's Pizza will be one of the first new tenants in the building. This outlet will be open year round and the original outlet by Rotary Beach will be open only in the summer months.

The winter seasons are getting busier in every year with snowmobilers and cross country skiers invading the country. Some of our members in the accommodation business still do not feel that they are getting their share of this increased winter business, and the Haliburton County Snowmobile Association is going to some considerable effort to help them figure out why. On February 16th at Haliburton Legion the Snowmobile Association will host a workshop evening featuring Vern Telford from the Ontario Travel Information Centre at Barrie, and a representative from our own Chamber of Commerce, to find out how to get the most of the winter business. The evening will include a roast beef dinner and bar facilities, at a very nominal fee of only \$5.00 per person. It may be a bit late to improve on your profit picture for this year, but it certainly is not too soon to plan on improving on it for next year.

The directors of the Chamber of Commerce are meeting this Wednesday, February 1st, at 7:30 p.m. at the Haliburton School of Fine Arts.

Haliburton Pee Wees down Minden 4-0

Haliburton Pee Wees downed Minden 4-0 last Saturday when they fired four goals past Minden netminder, Scott Danilko. On the firing line for Haliburton were Dave Giles, Jeff Bain, Sheldon McMurray and Marla MacNaull.

The first marker came at 9:47 of the first period when Giles connected on a pass from Shayne Yateman.

In the second frame Haliburton came up with two more when Jeff Bain tucked the rubber away at 8:43 and Sheldon McMurray came up with an unassisted goal at

0:34.

Marla MacNaull, Tri-County's Pee Wees answer to girls in hockey, came up with the final scoring play for Haliburton scoring on an assist from Bain at 3:56 of the third.

Marla has played with the Pee Wees for two years now and has come up with 17 goals so far this year, showing she has as much hockey ability as any of the boys. She's the 12 year old daughter of Mr. and Mrs. Bob MacNaull of Haliburton and is in grade 7 at the Haliburton Highlands Senior Elementary School.

Marla MacNaull

MacNaull starts it off

Pee Wees topple Cannington 9-1

Haliburton Pee Wees came up with a decisive win on Sunday at the Dyrart Arena when they trounced Cannington 9-1.

The game started slowly with Cannington getting on the score board in the first period on a goal from Andrew Gray. The score stayed at 1-0 for the visitors during the first period but when the second frame ended, Haliburton had fired 4 unanswered goals and put in 5 more in the final

third.

Marla MacNaull started it off for the locals at 8:41 of the second on an assist from Sheldon McMurray. Then at 5:39 McMurray scored his first of 5 goals. Also scoring in the second was Brad Chambers.

In the third Haliburton came up with five unanswered goals, three by McMurray and one by Brad Chambers and one by Miles Tapp, ending the game 9-1.

Tri County Standings for the North Division

Recent statistics released by the Tri County league show that Haliburton is first in midget and third in bantam.

In both series the top shooters are from Haliburton.

TEAM	GP	W	L	T	Pts
HALIBURTON	12	9	2	1	19
Lindsay	10	8	1	1	17
Keene	9	7	2	0	14
Beaverton	13	4	6	3	11
Ops	12	4	6	2	10
Fenelon Falls	11	2	4	5	9
MINDEN	14	2	8	4	8
Millbrook	13	2	9	2	6

* Chris Roberts is the leading scorers with 26 pts.

BANTAM NORTH [as of Jan. 8]

TEAM	GP	W	L	T	Pts
Beaverton	12	8	2	2	18
Cannington	11	5	3	3	13
HALIBURTON	12	5	5	2	12
Sunderland	9	5	4	0	10
Fenelon Falls	9	1	5	3	5
MINDEN	10	1	6	3	5

* Paul Madden is leading scorer with 21 pts.

Maple Lake Bowling

Well here we are starting on the last series of the season. Ron's Roller and Fred's Foxes took 5 off the Strikers and Dan's Dynamos, Audrey's Angels and Lynn's Loafers split 4-3.

Fred Cox topped us all with 779 (265, 258); Wes Stata 765 (287, 251); Ronnie Robinson 736 (264, 263); Ev Stata 721 (275, 239); Ron Robinson 696 (237, 230); Marnie Robinson 690 (241, 228); Gord Everall 672 (247, 237); Walt Ackersblade 635 (225, 213); Flo Henderson 618 (249).

High singles Jean Henderson 245, Martha Harding 237, Rick Harding 223, 221, Grace Downey 221, Deb Harding 220, Lynn Frankland 210, Norm Barry 206, Audrey Fountain 200.

Congratulations to the following House Round winners of the Carling O'Keefe Classic (210 and under) who will bowl at Fenelon Lanes on Sun. Feb. 12 - Fred Cox, Carl Holstrom, Gord Darby, Allan Graham, Albert Cox, Joan Hatkoski, Barb Allison, Earl Schellenberg, Lorna Hicks, Carol Leonard, Marnie Robinson, Debbie Harding, Peg Brown, Jim Wilson, Fran Woods, George Wilson, Doug Leonard, Bob Elliott, Harold Sawyers and Don Hicks.

The first shift will bowl at 10 a.m. and Fred Cox, Gord Darby, Allan Graham, Albert Cox, Barb Allison, Earl Schellenberg, Lorna Hicks, Don Hicks, Jim & George Wilson will bowl then. The second shift will go at 1:30 p.m. and this will include Carl Holstrom, Carolyn and Doug Leonard, Marnie Robinson, Deb Harding, Peggy Brown, Joan Hatkoski, Fran Woods, Bob Elliott and Harold Sawyers.

Triples: Art Beatty 754 (226, 291, 237); Lil Gorveatt 737 (237, 247, 253); Pearl Foster 689 (265, 234, 190); Ken Piper 663 (159, 241, 263); Harry Baker 628 (165, 242, 221).

Games over 200: Ian Colman 241, 214; Harry Hobden 222; Bill Donnelly 260; Marg Barnes 251; Susan Francis 235; Mabel Medcalf 236; Bruce Medcalf Sr., 237.

Ray Jenkins rolls high triple, 703

Ray Jenkins rolled a high triple of 703, with high singles of 287, 217.

Other high triples were Harry Henderson 673, and Ev. Stata a 653.

High singles over 200 were Marion Donaldson 202, Muriel Peters 200, 223, Ev. Stata 209, 240, 204, Jack Henderson 235, Ray Knapp 203, Gord Bennett 222, Ev Perrin 222, Bill Barber 215, Harry Henderson 238, 249, Shirley Hamilton 219, Wendy Kirkpatrick 217, 211.

Team standings for the second last week of the second series are Rebels 45, Hit & Mrs. 36, Harry's Angels 35, Aces 30, Snowflakes 23 and Criers 20.

Snowmobile Rally planned for 25th

A snowmobile rally has been planned by the Lake Kashagawigamog Tourist Association for Saturday, February 25th, to allow snowmobilers, "to enjoy snowmobiling at its best in a friendly, competitive way," says association member Bruce Henry of Halimar Lodge.

The rally will follow an approximate 45 miles of groomed trails with check points and rest stops along

the route. "The idea is not to finish in the fastest time, it's not a race," said Henry, "but a chance to enjoy good, safe snowmobiling."

All entries will be subject to Ontario snowmobile regulations and will be charged a \$5. entry fee.

The race gets underway at 9:30 a.m. starting at Haliburton Marine on Highway 121 west of Haliburton Village.

uranium fuel purchase in history. Based on 1978 prices, the purchase totals \$6.5 billion dollars, representing a net profit before corporate taxes of about \$2.5 billion, depending on cost of production. Each contract contains escalator clauses which tie the price paid to the world price which could, according to present predictions, result in an additional profit of about \$1 billion for each \$11 dollar rise in the world price of uranium: a further possible \$3 billion.

It is becoming increasingly evident that while the government has long known of the need for uranium fuel, no consideration has been given to alternatives other than simple purchase. As an example, in 1973, Task Force Hydro suggested that one means of securing adequate fuel supplies would be to acquire control of a uranium mine - a suggestion consistent with free enterprise since any corporation will consider acquisition of a 100% supplier. That was five years ago, when mining stock was cheaper. This present contract was negotiated right in the midst of a sellers' market, the worst possible time to make a deal.

High-Low Doubles Tournament

The Zone Round of the Sunbeam Shoes High-Low Doubles Bowling tournament is to be bowled at Fenelon Lanes on Feb. 26th. The first round will be at 10 a.m. and Don Hicks and Doug P. Robinson, Pearl Foster and Mary Colman; Lil Gorvett and Bernice Gillis; Wally Crofts and Earl Schellenberg;

Walt Ackerblade and Fred Cox; Marie Reynolds and Betty O'Brien will bowl then. The second shift will be at 1:30 p.m. and Ray Patchett and Glen Abbott, Graham Brown and Herm Bosley, Annie Griffin and Allan Graham, Ev Stata and Ethel Gainforth, Marlene Cook and George Wilson will bowl then. Good luck everybody!

Along the Trails

by
Roy Bates

OOPS! WRONG TURN!

In our description of the route to be used for Snowarama we said the ride would come to Haliburton via the Glebe Park Trail. This was in error. Riders will continue east on the Peterson Trail to the Old Eagle Lake Road and turn south to the Spruce Lake Trail #12 on the new map. INTERRUPTED SCHEDULE Trail grooming suffered a setback last week when one of the Haliburton County Snowmobile Association Bombis was sent off to hospital in Mississauga. The ailment was not critical and it is expected the machine will be back on the job early this week.

Unfortunately, the malady seems to be highly infectious for the other Bombi is developing similar symptoms - a very loud growl in the differential.

The Association has promised to have the Snowarama route in top top shape for the fifth, and it will, even if one machine has to be worked double time and all other trails neglected. Final

grooming of the entire route is planned for Saturday night. Snowmobilers are respectfully requested to refrain from using the route in the evening of Feb. 4th. For a smooth ride on Sunday the trail must have a chance to set up and freeze after final grooming.

Again we caution Snowarama riders against excessive speeds. The trip can be made at reasonable speed in four to five hours allowing ample time for food and fuel stops. Fast riding will only increase your chances of accident and wear out the trail surface. Have a good ride but please, do it safely!

Some Observations on TRAIL GROOMING

We have been asked why the groomers are sometimes seen working a trail in the morning and then returning over the same trail in the afternoon. Why not develop a grooming circuit where the Bombi can work from one trail into another without retracing its steps? Where it finishes at night it should start next morning. Here is the answer.

Chatting with Irene

The start of another week, the start of a new month. Wonder where the groundhog will be, sure hope he stays asleep! When I was watching the terrible storms to the south of us last week, I was very glad I was here. You know I grew up down London way and can never remember their being storms that bad, of course that was a long time ago and they say the weather does change.

Mrs. Grant Hewitt went back to Scarborough with the Bod Dudmans last Sunday for a weeks holiday.

The Minden Juveniles played an excellent game of hockey on Sunday evening, when they met the Oakwood

team at our Arena. They also met the powerful Beaverton Team over the weekend, and although Beaverton beat them 10 to 9 the score showed they were able to stand up to them. The game Sunday was Minden 4 Oakwood 3, so they can really go when given the initiative. By the way if you see anyone wearing a big white button, take a second look at it and if you do not have one like it, be sure and get one, because the Juveniles are going to get themselves new jackets, and are raising the money by selling these pins. What better way to help them, other than cheering them on in the play-offs, these young men deserve a lot of credit, they started off slow, but now are really flying, so come on folk go to their games and don't forget to get a pin.

The O.M.H.A. Midgets also played a game at the Arena Sunday after the Carnival was over and won over Fenelon Falls to the tune of 6 to 0. It was also an excellent game. They tell me that the Play-offs are going to start at once, even if all the games haven't been picked up that were cancelled due to weather conditions, to me that is hardly fair, for I know of one game that had all of Minden players present, the referees came and two of the visiting players as well, but the rest didn't show because of the storm, so Minden was holding an empty bag, as they had to pay the Refs., anyway because they came. Oh well that is hockey so they say, and O.M.H.A. seem to change the rules to suit themselves.

Don't forget to go to the Pancake Supper at St. Paul's Parish Hall next Tuesday evening. You get a real good supper and finish off with Pancakes for dessert and different syrups. The supper is from 5 p.m. to 7 p.m. There were a lot of visitors in town over the weekend, what with the Carnival, car races etc. It was very cold on St. for the Parade so as many floats were not entered as last year. Stedmans store won 1st in commercial; non commercial winners were: 1st Archie Stouffer School; 2nd Hyland Crest; 3rd - Beavers.

Miss Kelly Beeneey was crowned Queen of the Carnival. The Junior Queen was Teresa Trepanier.

Last Monday evening the regular Library Committee met at the library to plan to budget for this year. All members were present except 2 am I getting you mixed up? You see there are two committees, the one keeps this library running each year, the other is in charge of getting us a new library which is so badly needed. Some of us work on both, but the regular committee do not

A continuous circuit is neither practical nor possible in most of the Association's trail system. The Peterson, for example, is a linear route with no alternate for return. It is a full day's run from the Harburn Road to the Elephant Lake Road and back. It takes another full day to groom the western sector and its feeder trails and return. In these two days, the Peterson is "double-groomed" as will be the Gooderham Trail on a third day. It has been found that a satisfactory surface can only be obtained by double-grooming. A single pass may smooth the moguls but will not "set" the snow for proper freezing. This became evident on those trails in the system where circuit grooming was put in practice.

Furthermore, for efficient operation of the machines they need to be parked at night close to their operators. A certain amount of daily maintenance is required - greasing, fuelling, and in cold weather a warm up period in the morning. Imagine the frustration of driving fifteen miles to a cold machine, struggling to fuel it from five gallon cans, and then finding that it can't be started. When parked at home, it can be

work as hard as the one for the new Library, or do we? Now I'm mixed up, so please forgive me. Anyway we work together a lot of the time. The winner of the electric fry pan was Neil Burke and the booth at the Carnival did very well, but we still have a long way to go to get the sod turned this spring. The new Library has to be built then we start on the Museum part. For many years people have said where is your Museum? The Committee hope to move the present Library building to the new site and restore it as the Bank, but the Library comes first, all pledges of any type of material, labour, or money will help get this done that much faster.

Mr. and Mrs. Phil Robinson and Mrs. Bill King visited in Lindsay last week.

Do you wonder why the Ambulance Service exchange is 457-1721? This is for the whole County, and is centralized so that when you ring and say where you are, if your own Ambulance is on a call then the closest one is sent to you, thus saving you the time and effort of trying to find another ambulance. To me this is great for who knows when one is needed. Don't knock it folk, it is one time the whole County is co-operating.

Neil Hewitt of Carlton Place visited with his mother Mrs. Joyce Hewitt over the weekend. The Kinettes are holding their Annual Valentine Dance at the Arena on Feb. 11th; starting at 8:30 p.m. Don't forget to get your tickets, the proceeds are to help with Community projects.

Winners at the Mini Card Party last week were: Cribbage; Joyce Hewitt, Agnes Taylor; Euchre; lone hand - Vera Fuller, Pearl Cowan, Norah Briggs.

The Girl Guides had a very successful Bake sale at Stedman's store on Sat. morning, winners of the draws were: cushion - Mrs. Bonnie Ackerblade; Pillow Cases; Mrs. Rowen McKelvey.

Mrs. Helen Johnson left last week to visit her daughter Mrs. Brien Grey in London, Ontario. Sure hope she missed the storm.

It is nice to know that Mr. Joe Warburton and Mr. Bob Hughes are both home from the hospital; but sorry to hear Mrs. Lola Prentice and Mrs. Roy Anderson; also Mr. Walter Harrison are in Red Cross Hospital.

Pancake syrups that are different: Heat slowly 1 cup honey, 1/4 cup butter, 2 tblspn. thawed frozen orange juice concentrate. Spice to taste with cinnamon and ground cloves. Add 1/2 cup finely chopped walnuts. About 1 1/2 cups. Heat slowly 1 cup honey with 1/4 cup apricot nectar; spice with cinnamon and nutmeg to taste, add 1/2 cup finely chopped walnuts. Make 1 1/2 cups.

The preliminary prize lists for the County Fair are now available, and the Annual meeting will be held at the Minden Council Chambers on Wednesday, February 8th, at 7:30 p.m. This meeting is open to all interested people in the County, so if you have any Beefs or Ideas please attend and help make this years Fair bigger and better than last years. Don't forget Feb. 8th. Adios and take care now.

plugged in like a car.

SATURDAY'S RIDE

(Last Saturday, That is)

A prearranged meeting with four snowmobilers at Beaconbrook Motor Hotel found us having coffee with Valerie Madden, Treasurer of the Ontario Federation of Snowmobile Clubs, while one of her companions struggled valiantly to get a very reluctant Deere started. It had been parked uncovered during last week's storm and its carburetor controls were severely frozen.

On the way a little before noon, our plan was to ride to the Irondale Steak House for lunch. Our route would take us out the Glebe Park Trail, down the hydro line, across Kashagawigamog, and south on the Gelert Trail to the old Irondale Road. Finding a large maple tree across the trail, deposited there by the storm, we elected to use the lake route instead. We carried an axe but this tree was clearly a chainsaw job! There were treetops in the Hunters Horn Trail (#14) as well but we were able to get through without difficulty.

We stopped briefly at our house at Donald for refreshments and were joined there by my wife Jean and her new

Citation. Valerie and Bill both rode John Deere, their companions rode Ski-Doo. Karen's was a '75 TNT 340 and Ken rode a '77 Everest 440 just like mine.

The storm that had caused havoc across Southern Ontario had only brought new beauty to the Haliburton landscape. In each low-lying secluded section of trail it was like riding across a Christmas card. By contrast, the high open ridges were windswept and stark. Broken branches were strewn everywhere.

My choice of this route was prompted by the storm. I knew that much of the trail across the Snowdon burn would be completely obliterated and it would require someone fully familiar with the terrain to break track on it. Even I got off the beaten path in a couple of places!

A round of drinks and a most delicious lunch were waiting for us at the end of the trail. Irondale Steak House is located just west of the junction of trail #7 and highway 503. We can heartily recommend the home-made soup and barbecued chicken.

On the way back we discovered that our tracks had been followed by a number of

COUNTY ECHO FAMILY

Norland Notebook

454-3233 by Barbara Maunders

A group of relatives and friends arrived unexpectedly at the home of Mrs. Mary Louisa Pyke on Sunday, January 22 to celebrate her eighty second birthday. Guests included Jack and Dolly Le Craw and Tracy, Eddie and Dorothy Brown, Bill and Lorrie Moss and Jason and Jack Pyke of Norland, Roy and Alice Rivers, and Clyde and Ida Pardy of Coboconk, Bill and Milly Moss of Kinnmount, and Larry and Amy Koker of Uterson. Our best wishes to the surprised and happy birthday lady.

A longtime cottage resident of Sunset Beach area, Head Lake, Jack Roberts passed away very suddenly at his home in Toronto on Thursday, January 19. Jack was a strong cottager's association advocate in purchasing the acreage on concession 5 to hold as a green belt and parkland when the land was

available for sale a few years ago. Sympathy of the community is extended to his wife and family.

A spring festival of Arts is being planned throughout Victoria County from May 26 to June 4. It will be an opportunity for county residents who have an interest in music, the visual arts, drama or dancing to partake or view these various arts. Doug Merrett is the Coboconk area representative and he and his group are busy finalizing plans for Monday, May 29 and Tuesday May 30 when the Horizons Club, Coboconk will be organizing an arts and crafts display for this area and the Happy Wanderers, singers will be supplying the music. Anyone in the Coboconk, Norland, Rosedale, Head Lake, Burnt River areas who has a craft or talent that would be of interest to others for this Spring Festival, is invited to contact Doug Mer-

rett, 454-8477, or Gertie Crichton - 454-3570 as soon as possible. Let's make this a truly community effort and success!

Mrs. Phyllis LeCraw was the winner of the Norland Volunteer Firemen's Hockey Pool on Saturday, January 22.

The weather, unfortunately, didn't co-operate and help Miss Laura Gaunt's efforts in arranging an evening of euche and bridge in Norland Community Hall on Tuesday evening, January 24. Despite the blowing and wet snow, several tables of cards were played and a good time was had by those who braved the storm. Our thanks to Laura for her extra endeavours to raise money to help toward the flooring for the hall. We will hope for better weather and a larger turnout next time.

Perhaps readers will be

interested in some new books that have just recently arrived at our Norland Public Library? Two books by the author of "Lark in the Clear Air", Dennis Patrick Sears are "Fair Days along the Talbert" and "Auntie High over the Barley Mow", both stories with local background. If you are a Tom Thomson admirer, you will enjoy viewing the book "Silence and the Storm", it has some beautiful reproductions mostly in colour, of Tom Thomson's many paintings with a brief narrative covering same. One of these books was donated to each library by the Ministry of Culture and Recreation.

There is a special research program aimed at reducing the amount of salt used to keep Ontario Roads free of ice and snow, being undertaken by the Ministry of Transpor-

tation and Communications at this time. The ministry would like to know if it is possible to reduce the quantity of salt used for winter maintenance operations and still not affect the level of service to the travelling public. Various test zones will be used where the salt will be cut back, but these zones will be clearly marked by roadside signs to warn motorists that they may be driving on different road conditions. Sites will be located on Highways 7 and 45 near Norwood; Highways 89 and 50 near Cookstown; Highway 3 in the Simcoe-Tillsonburg area and the QEW and Highway 55 in the Niagara Peninsula. One problem that is foreseen if salt is reduced on our highways, is the fact that motorists have become accustomed to driving on relatively bare pavement and

will have to be prepared to change their driving habits to suit the weather conditions. It would not make rusting problems on cars, only to cause more traffic accidents.

Series 2 is completed in Norland Bowling League with team standings as follows:

E. Forsythe - 46 pts.; J. Maunders 36 pts.; and K. Watson 36 pts.; D. Boyce 29 pts.; J. Boyce 23 pts.; E. Edwards 19 pts. Winner of the series is Team consisting of Eileen Forsythe, Fred Patullo, Don Lee, Don McLean and Pauline Lukus. Ladies High Single and Triple on Wed. Jan. 25 was Michelle Angiers 256, 599 and high average - Eileen Forsythe - 193. Men's high single: Adrian Lee - 214, High Triple and high average Doug Boyce 612, 184.

One step won't take you very far. You have to keep on walking. One word won't tell folks who you are. You have to keep on talking. One inch won't make you very tall. You have to keep on growing. One little call won't do it all. You have to keep on going.

for love,
for remembrance,
forever™

Maple Lake News

by Ada Gibbs

After spending some time in an isolation unit in a Peterborough hospital, Bill Skelding is now recuperating at home.

We are all sorry to learn of Marnie and George Bunn being so ill with the flu. Apparently like other friends, they really had a dose of it, glad they are on the mend.

Mrs. Jack Harrison arrived home last Friday from Civic Hospital, Peterborough, where she underwent surgery. Kind wishes are extended for improving health, Shirley.

Mrs. Gordon Alcorn is at present in the Orthopedic and Arthritic Hospital in Wellesley St., Toronto, having surgery, and further treatment on her knee. Let's hope she will

have much improvement soon.

A thought for Sunday - God grant me the serenity to accept the things that can't be changed.

The courage to change the things that can be changed, And the wisdom to know the difference.

Ada V. Gibbs

Coboconk News

by Sheila Lake

Mr. & Mrs. Dean Swinson & Mr. & Mrs. Leon Hartin and Katrina, all of Kinnmount and Pauline were visitors with their parents Mr. & Mrs. Lloyd Brohm on Sunday to celebrate, Maisie and Katrina's birthday. Katrina being 1 year old the 17th and Maisie's birthday was the week before.

I had a letter from the Hall's in Florida, who spend their summers at Sunset View on Shadow Lake here, bringing to my attention the appointment of James Ham, to dean of graduate studies at the University of Toronto. I

had this brought to my attention last Monday, in Peterborough, but did not see the item in the paper. The clipping Mr. Ham sent along was from the Montreal Gazette, dated Jan. 12th. James Ham was born in Coboconk, some fifty seven years ago. He graduated from the University in 1943, and received his Master and doctor of science degrees at the Massachusetts Institute of Technology. He has been a member of the executive of the National Research Council of Canada and the International Federation on Automatic Control and is co-author of the text-book, Scientific Basis of Electrical Engineering. He has been chairman of the two year Ontario Royal Commission on the health and safety of workers in mines. Mr. Ham has spent 25 years at the University and was dean of faculty of applied science and engineering as well as chairman of the department of electrical engineering and chairman of the university research board.

On inquiring about the Ham family, older residents will remember the old Ham home was about 6 miles up what is now called Base Line Road, in past the farm where the Warren Fountains lived. James Ham's parents were Mr. & Mrs. Art Ham and many years ago, Art Ham operated a grocery store and the post office in Coboconk, directly across from Shields store. In fact, the old grocery store premises is now a warehouse for Shield's Home Hardware. In later years, Mr. Mel Cooke worked with or for Art Ham, then later the store became Cooks Grocery.

Mel Cook has been dead many years now, and with his death, changes were made. Ross Faulkner ran the grocery store for awhile then it went out of business - so the area is now a storage area. Our congratulations to a Coboconk native who has worked very hard, and who will begin his five year term on July 1st, 1978 succeeding Dr. John R. Evans and becoming the University's 10th president.

Two of our neighbours are patients in Ross Memorial Hospital. Charlie Bowins is in hospital also Mrs. Grant Benson, who was admitted

Tuesday night. Aren't we fortunate to have good health, because being confined to hospital is not so pleasant.

This is winter carnival week end for Fenelon Falls and Minden. Take your choice - I'm sure winter sports enthusiasts will have a good time. The sun is shining - there are no high winds or blowing snow so I hope everyone makes the best of a beautiful day. After this past week - its great to be able to go out without being blown away or buried in snow.

The senior citizens enjoyed a bus trip to Toronto to see the Ice Follies. Forty eight travellers climbed aboard the bus for an enjoyable time in the big city and were not disappointed. All thoroughly enjoyed the Ice Follies and a delicious dinner out.

On Monday, Feb. 6th the New Horizons will celebrate their 5th anniversary. Guest speakers expected are Miss Ferrier, Field Representative and Mr. Wisniewski who is assistant regional Manager of New Horizons. Also, Mr. Mike Barkwell has been invited to attend as he was one of the original organizers of the local New Horizons.

I'm happy to know the Echo travels a long distance from its home. It goes to Florida - western and eastern Canada, and no doubt, overseas. The local weekly newspaper is like a letter from home to those who live a distance away, and I know the paper is well read. So if you have any news pass it along to your area correspondent, so everyone can keep up with all the happenings in your home town. I thoroughly enjoy my old home paper, the Newmarket Era and also the Lake Simcoe Advocate from Sutton and the Communicator from Mount Albert. How else could I keep abreast of what happens "at home"?

Here are some thoughts worth pondering - A worrier is a pessimist who has chosen to worry as his vocation and is never happy unless he is miserable.

To make your dreams come true, the first thing to do is wake up.

Trials and disappointments are subways on the way to joy and victory.

Mrs. Sadie Gaynor became Mrs. Bob Nevison last week, has moved to the Senior Citizens apartments in Fenelon Falls, and also was admitted to Ross Memorial Hospital in Lindsay for minor surgery. A busy time for Sadie! Congratulations and get well wishes!

If you have a cottage, have you checked the depth of snow on the roof? With so much snow, then rain early Thurs. that snow became packed down and very heavy. Of course, it is frozen now, and ice like. Another section of the old lime kiln roof gave way under the weight of the snow this week. Don't let your roof buckle!

IGA 4 BIG WEEKS OF PRIZES

FIRST WEEK!

149

Proctor-Silex ELECTRIC PERCOLATOR

One of these Proctor-Silex Electric Percolators will be won by a customer in every one of the IGA stores covered by this advertisement. And it could be you, so get your entries in now! Winning entries will be selected in each store at closing time, Saturday, Feb. 4th, 1978.

AN APPLIANCE PRIZE EVERY WEEK FOR FOUR WEEKS IN EVERY ONE OF OUR 149 IGA STORES

Haliburton Highlights by Creighton Fair

During the past week workmen have been busy shovelling off the snow from the roof at the Haliburton Arena. We have had a great deal of snow during the past two or three months and it doesn't take long for it to build up.

This coming Sunday, February 5th, it's Whipper Watson's Snowarama for Timmy. The Million Dollar Ride a 100 mile rally and all snowmobilers are invited to participate. All those who will be riding in this event are preparing to get their machines in top notch running order and they can hardly wait to take off. Proceeds are for the Ontario Society for Crippled Children.

This coming Sunday, February 5th, is also the date that the Haliburton Figure Skating Club will be presenting an ice revue "Valentine Fantasy" at the Haliburton Arena starting at 2:30 p.m. It's your opportunity to go out for an afternoon of good family entertainment.

A great motion picture "Across the Great Divide" is coming to the two theatres in the county. It's the story taken in 1876 when two orphans crossed the Rockies with a frontier trickster. It opens this Friday and Saturday, January 3 and 4 at the Beaver Theatre in Minden and will be playing at the Molou Theatre in Haliburton on Thursday, Friday and Saturday, February 9-10-11. It's a movie you won't want to miss.

Last week we had the opportunity to have a tour of the new curling rink at Haliburton. It's a real credit to the village and one that the local curling club can be mighty proud of. Visiting curlers have told us that they are really thrilled with the new facilities and the condition of the ice surface.

While making my rounds last week I had the opportunity to talk to many citizens and businessmen both in Haliburton and Minden. I don't think that there was ever a time that the subject of us here in Haliburton County being a depressed area came up. It happened practically everywhere I went. Everyone seems to be starting to realize that we can no longer have a balanced year round economy if we are going to continually have to count on two months summer business. At last these people who make up our various communities realize that we must face reality and that if we are going to get ahead and try to give everyone a good standard of living we are going to have to get some small industries to locate here. We firmly agree with these statements and it's just about time that we quit fooling ourselves.

We would like to remind everyone that next Tuesday evening, February 7th, the annual Pancake Supper will be held in the Parish Hall at St. George's Anglican Church in Haliburton. The time is 5:00 p.m. to 7:00 p.m. Adults \$2.50, children 12 and under \$1.00. Everyone is welcome.

Ken Wilson, Murray Fearrey and Jim Scheffee from Haliburton Lumber found out last week that it's a long way from Toronto to Lindsay. The three local businessmen left Toronto on their way back to Haliburton when the biggest snow storm in many years was in full swing. They were attempting to at least reach Lindsay where they could stay in a motel overnight, but they found the trip to be more of a problem than they had anticipated. The highways were so bad and the visibility so poor that they found themselves stranded about eleven miles the other side of Lindsay. Seeing that it was impossible to drive any further they pulled into a farm house where the people took them in and bedded them down for the night.

The following is something that everyone of us should keep in our minds.

I shall pass through this life but once.
If, therefore, there is any kindness I can show,
Or any good I can do any fellow being,
Let me do it now!
Let me not deter or neglect it,
For I shall not pass this way again.

Gems of Truth

Basically, the word repentance as used in both the Old and New Testament means a change of mind. As such it is used in relation to God, nations, the lost, and even Christians.

In regards to God repenting, Scripture seemingly contradicts itself, yet when properly understood there is perfect harmony in all that is said about it. There is a line of Scripture which says that God cannot and will not repent. Numbers 23:19, 1 Sam: 15:29 Ps. 110:4 Jer. 4:28, Ezekiel 24:14, Romans 11:29 Then there is likewise the fact that God will repent as stated in Deut. 32, 36, Psalms 135:14, Jer. 18:8-10, 26:3, 13; 42:10, Joel 2:14, Jonah 3:9. Again, Scripture declares that God repented Himself. Gen. 6:6-7 Exodus 32:14, Judges 2:18, 1 Sam. 11:35, 11 Samuel 24:16, Jer. 26:19, Amos 7:3,6.

On the surface these different statements appear to be hopelessly contradictory, and these apparent contradictions have always been food for the critics of the Scriptures. However, it is very evident that the repenting God does, is of a different sort than that of man. Numbers 23:19, 1 Samuel 15:29. The fundamental fact remains that "all" that God does is good and right. Gen. 1:31, Deut. 32:4, Dan. 4:37, Rev. 15:3.

God never does anything wrong and, therefore, He need never repent of anything He has done so far as the righteousness of His deeds are concerned. It is far different of man. He is sinful in his entirety and fallible in his judgment, and for this reason quite frequently needs to repent.

If, and when there is any change in God's attitude toward His works or any of His creatures, that change is not made necessary by any mistake in His working nor by any defect in His judgment.

Such a change, if it occurs, must be and is caused by some change on the part of His creatures. God's repentance in every instance is caused by man's change, either in turning to "sin or else repentance for sin." Gen. 6:5-7, 1 Samuel 15:35, Jonah 3:7-10.

In spite of the fact that there are some things in which God repents upon the change of His creatures, there are certain things in which He cannot and will not repent. For instance, God cannot repent or change His mind concerning His Covenants nor His promises which He has founded upon His grace. Num. 23:19, Ps. 110:4, Rom. 11:29, Heb. 7:21. It is thus that those who trust in the Lord Jesus Christ are perfectly and eternally secure, because the promises of God concerning eternal life and salvation are absolutely unconditional. John 3:14-16, 5:24, 10:27-30, Acts 16:31.

National repentance is quite frequently spoken of in the Old Testament, especially by the Prophets of the Lord God. Because God ruleth in the Kingdom over all, the Kingdom of God, He must punish sin, when it is committed even by nations. National sins bring national judgments, while national righteousness brings national favor and blessing. This is chiefly why nations rise and fall or even perish, and is applicable even to America. The Scriptures declare that "righteousness exalteth a nation, but sin is a reproach to any people". Proverbs 14:34.

When the nation Israel sinned, God repented of the good He had in mind for it and brought judgment upon it. Only as a nation repented of their sins did they know and enjoy the favor of God. Jer. 18:8-10, Jonah 3:7-8.

Not only was this the case

Word of God

We have been discussing the dream of Daniel 2 and its interpretation. Today, we want to search out history and see just what kingdoms were represented by the vision of Daniel 2.

We have suggested that these were representative of world powers (Daniel 2:39) therefore we must look to the world powers. Also, by means of a quote in our last article we set forth the fact that sometimes in Daniels references he lets the king represent the kingdom, and sometimes the kingdom represents the king. Our conclusion therefore is that rather than these representing a line of individual kings within a given nation, that rather they represent king or kings of four different powers or nations.

It is our desire now to identify these kings. First, the head of gold. According to Daniel 2:38 it represented the

power of Babylon as represented through Nebuchadnezzar and his rightful ruling descendants. History places his rule in approximately 625-538 B.C.

Second, came the part of silver. According to Daniel 5:25-31 we find that this power would be the ruling period of the Medes and Persians (Medo-Persian period). Under Darius and Cyrus and their legal descendants this period continued from 538 to 331 B.C. approximately.

Third, we come to the parts of brass. In Daniel 8:20-21 we read: "The ram which thou sawest having two horns are the kings of Media and Persia. And the rough goat is the king of Grecia: and the great horn that is between his eyes is the first king." Here we find that it is the king of Grecia that will overcome the rule of the Medo-Persian period. That king of Grecia is the conqueror from Macedonia, Alexander the Great and his successors. The rule of the Macedonia (Greece) power was eventually going to be taken over by the fourth Kingdom which we cannot help but recognize as Rome. Just now, turn with me to Matthew 3; and let us record the words of verses 1-3: "In those days came John the Baptist, preaching in the wilderness of Judaea, and

Mrs. Paul Green
DROPS COMPANY
FROZEN FOODS SAVE!
Save time, money, energy, valuable nutrients and freshness with frozen foods.
Sounds like a pretty complete package and that's what you get with frozen foods. They take only minutes to prepare from freezer to table, reducing time and energy expenditures at home. There's no waste from trimmings, peelings and shells, so the price you pay is for the food you eat.
Air is the enemy of vitamins, so is time. Vegetables are flash frozen within hours of harvesting, this slows down the aging process, locking in nutrients. Frozen products are generally equal to or better than fresh in terms of nutritive value. Once frozen, quality, color, taste, and texture remain stable for a long time.
Use frozen products with confidence for value, convenience, and good nutrition.

County Council

From page 2
 Chamber of Commerce President Dennis Casey and Manager Robert Stinson, Lutterworth councillors Bob Gamble and Major G. Lewis, Lutterworth residents Mr. & Mrs. Ken Adamson, Mr. William Scott, M.P., and guest speakers Robert Burns and Ken Holman, and members of the Press. The Warden also welcomed former M.P.P. Glen Hodgson.

After a short recess, council reassembled for a presentation from Canadian National Railways representatives as requested at December County Council and arranged by William Scott, M.P.

Mr. J. Robert Burns, Manager of the Rideau Area, C.N.R., and Mr. Ken R. Holman, Industrial Development Officer, C.N.R., addressed Council, outlining the statistics and economics of operation. They assured Council that no major changes in service would be made without prior notification and discussion, and they would be agreeable to meet the Economic Development Commission to discuss possibilities of increased business.

Adjournment
 This Inaugural Session was adjourned at 3:30 p.m., to be resumed at 10:00 a.m. January 18th.

Wednesday, January 18th
 County Council reassembled Wednesday, January 18th, with all member in attendance with the exception of Chairman J.M. Howarth.

RESOLUTION NO. 3/78
 THAT minutes of the Meeting of December 21, 1977 be approved as circulated.

Carried
Finance Report
 Finance Chairman Harold

Bagnon recommended approval of accounts.
RESOLUTION NO. 4/78
 THAT payment of accounts be approved for the period ending December 31, 1977, in the amount of \$28,787.66 representing cheques numbered 872 to 973 inclusive.

Carried
RESOLUTION NO. 5/78
 THAT By-law 1029, having been read a first time, be considered read a second and third time, passed, signed and the Corporate Seal attached, being a by-law to authorize the borrowing of funds from the Canadian Imperial Bank of Commerce.

Carried

authorized by the Road Superintendent,
Howard Roberts,

HOWARD ROBERTS,
Roads Superintendent

From TRAILS

page 7

other snowmobilers. These
had turned toward Gelert and
Minden. We retraced our
route along #9 and instead of
turning onto #14 which had
taken us down from Donald,
we continued north on #9, the
Twin Pines Trail. This is a
very hilly section. Riding over
the highest of these hills
through a mixture of oak and
pine, we were treated to a
beautiful red sunset. Our
visitors, who hail from the
Ottawa region, were ecstatic
about the scene. I have never
seen that trail more beautiful
than it was that afternoon.

All in all the trip, what with
meeting our guests in the
morning and escorting them
back to the Beaconbrook,
covered 63 miles.

After another short run on
Sunday before heading back
home, Mrs. Madden expressed complete satisfaction
with her weekend in Haliburton. She and her party
were most impressed with the
beauty of the landscape and
the excellence of the trails of
the O.F.S.C.'s Number One
Club.

Valier Madden has served
on the Federation's Board of
Directors for four years, three
of those as Treasurer. She
plans to step down this year,
but she will remain very much
involved with the snowmobiling scene for she is also
serving as Secretary to the
Canadian Council of Snowmobile Organizations. These
are her volunteer jobs. She
also works nine to five for the
Federal Government!

DEATH NOTICE

AT REST
Suddenly at the
Red Cross Hospital -
Minden on
Tuesday, January 24, 1978
Elizabeth Ellen MacMinn
In her 74th year

Beloved wife of Harry MacMinn; dear mother of Gordon and loving mother-in-law of Marjorie of Minden; loving grandmother of Susan, Bill and Joe; and great grandmother of Trevor.

FUNERAL SERVICE
Rested at the Funeral Chapel of John Welch & Son Ltd., in Minden, after 2:00 p.m. Thursday, for funeral service in the Chapel on Friday, January 27, at 1:30 p.m.

ACTIVE SERVICE IN MEMORIAM

DAVIDSON in proud and loving memory of our dear brother, Lieut. Ross Davidson, killed in action on Jan. 29, 1945.

Memories are like threads of gold. They never tarnish or grow old.

Sadly missed by Bernard and Lauretta.

IN MEMORIAM

GRAHAM, Jacob Clarke, in loving memory of a dear husband, father and grandfather who passed away February 6, 1972.

In a quiet country graveyard Where the gentle breezes blow,
Lies one we loved so dearly And lost 6 years ago.
We do not need a special day To bring him to our minds,
For the days we do not think of him Are very hard to find.

Always remembered by wife, Mary and family.

saying, Repent ye: for the kingdom of heaven is at hand. For this is he that was spoken

of by the prophet Esaias, in the wilderness, Prepare ye the way of the Lord, make his

CKVR rebuilds tower

Television viewers in Central Ontario can look forward to the resumption of normal telecasting by CKVR sometime during February.

Construction of a new 1,000 foot tower is well underway and will be proceeding at top speed as long as the weather co-operates. The tower will replace one destroyed in an accident in September 1977. Since that time CKVR has been broadcasting from a temporary 400 foot tower at Leblanc and according to its president, George Patton, work will be proceeding at full speed from now until completion. Leblanc and Royle, with headquarters in Oakville, is an all Canadian company, owned in part, by its employees.

The tower installation is being handled by Leblanc and Royle Limited and according to its president, George Patton, work will be proceeding at full speed from now until completion. Leblanc and Royle, with headquarters in Oakville, is an all Canadian company, owned in part, by its employees.

Sadly missed and always remembered by sister Audrey.

ROBERTSON in loving memory of our dear father, Rev. W.J. Robertson, who passed away January 29, 1957.

We treasure still, with love sincere, Beautiful memories of one so dear.

Always lovingly remembered by Mary, Douglas, Murray, Evelyn and families.

THANK YOU

The family of Albert LaRue wish to express their sincere thanks and gratitude for the many cards, telephone calls and enquiries during Albert's long illness. To the ambulance drivers, the Wood brothers, John and Velma Smith and Terry for their prompt response, Nov. 7th. To Dr. Heyes for quickly recognizing a serious problem and as a result thanks to Dr. Tovitch of Peterborough and Dr. David Rowed of Sunnybrook Hospital for their skill and dedication. For the prayers of Prayer Groups and individuals which strengthened and sustained us these past two months.

May you know God's love and blessing.

NOTICE TO CREDITORS

NOTICE TO CREDITORS AND OTHERS

In the estate of Harry Pattinson Bishop, deceased. All persons having claims against the estate of Harry Pattinson Bishop late of the Township of Dysart, in the Provisional County of Haliburton, who died on or about the 16th day of January, 1978 are hereby notified to send particulars of the same to the undersigned on or before the 15th day of February, 1978, after which date the assets will be distributed with regard only to the claims of which the undersigned shall then have notice.

DATED at Haliburton this 23rd day of January, 1978, by Harry Curry Bishop, Box 309, Haliburton, Ont., K0M 1S0, Executor for the Estate of Harry Pattinson Bishop.

THE ECHO AND RECORDER, Wednesday, February 1, 1978, Page 11

paths straight." It is interesting to note that Matthew begins by saying: "In those days". What days? We cannot help but reflect back on the promise of Daniel 2. The four kingdoms had followed one another in world rule. First had come the Babylonians, then the Medo

Persians, followed by Macedonia and finally came the Romans. Now, here is the one sent from God as a forerunner saying: "The kingdom of heaven is at hand". Was it? Watch for next week's article on this series on the establishment of the kingdom.

LEASING & RENTAL

VERY LITTLE DOWN WHEN YOU LEASE A NEW CAR FROM US

That's because your deposit on a new leased car can be substantially less than what you'd put down to buy a new car. What's more, you'll never fret over what your lease car is worth at trade-in time because your car will never get too old.

Each monthly leasing payment also covers such costs of enjoying a new car as financing, depreciation, taxes.

There are other solid reasons for leasing a new Chevrolet from us. So, come on in. Let's discuss the lease plan ... and that new Chevrolet ... that fit your needs.

And your pocketbook.
